Des diamants écologiques et brillants comme des étoiles : les cadres de la collection Étoile sont enrichis de pierres doublement précieuses car produites dans le respect de la nature. Avec un bracelet en acier ou en cuir recyclé, chaque modèle exprime une féminité moderne et chic.

Ecological diamonds, shiny as stars: the dials of the Étoile collection are enriched by special stones, doubly precious because they are produced in full respect of nature. With stainless steel bracelets or reconstituted leather straps, every model conveys a modern and chic femininity.
